

Sept. 10 1943

Mr. Cum Posey

Homestead Pa.

Dear Posey:

I am writing to enclose your check for  
secy. salary for 1943.

I sent the check for the other \$250.00  
to Ed. Gottlieb, as your directed.

I hope we will get the August 1st thing  
straightened out as soon as possible. You know  
we are the only team that did not get a penny that  
day. We paid the car fare for all those men to go  
to Buffalo. Gottlieb told me last night he heard  
Mitchell got \$900.00 in Buffalo that day. I am sure  
he will not put any of it in a pool, so we can for-  
get about that, but the rest of the members should  
live up to their word. I believe they will if it is  
put to them properly.

I suppose we will have a meeting soon. We  
should finish up the seasons business, and see how  
our accounts stand. I am anxious to see how much  
the league will get this year from The Yankee Stadium  
promotions. It should be a good amount, because they  
have played so often, and had several good crowds.

Very Truly Yours
